Careful nurturing by our winemakers provides the wine with a background signature that is always based on freshness and drinkability. Classic Series wines will reward medium term cellaring.

### THE STYLE

Sparkling red wines are a uniquely Australian style. Originally called sparkling burgundy it was pioneered in the late 19th century by Australian winemakers who fashioned sparkling reds out of Shiraz and the style has persisted ever since. From the mid 1900's the inclusion of a sparkling shiraz with Christmas festivities has become somewhat obligatory.

### THE WINE

Medium deep red in colour with a fine bead. The aroma is abound with savoury leather, spice and plumb and hints of forest floor whilst the palate is soft, round, luscious and creamy.
